Section A

- The Child Marriage Act was implemented in 2006. According to this act, the victims were to be provided maintenance. The marriage of girls below 16 years of age and boys below 18 years of age was prohibited. This act was started in 1929.
- The reformers took the help of ancient texts to promote new ~~knowledge~~ ~~knowledge~~ of law.
- They translated ancient texts and urged the people to rethink their beliefs and ~~renew~~ ~~renew~~ them with the time.
- They told people the translation of ancient texts stated that women should be allowed to attain ~~knowledge~~ ~~knowledge~~ remarry, take their own decisions etc. They also stated that people should not be ~~discriminated~~ ~~discriminated~~ on the basis of their caste.

2. The Satyashodhak Samaj was founded by Jyotirao Phule. It was a society formed for achieving equality among people.

- The main aim of this society was to provide equal status to the people of lower castes. As, the people of lower castes were restricted to a lot of daily life activities and had to live a miserable life.

- They did protests, filed petitions, made groups etc to achieve their aim.

3. Dr. B. R. Ambedkar belonged to the Marwar caste and suffered misery throughout his life. Through the temple ~~entry~~ movement he wanted to -

- Make it possible for the people of ~~lower~~ lower castes to enter temples and perform rituals. As people of lower castes weren't allowed to step their foot in the temples as the people of upper castes considered it a taboo.

- He wanted to give equal status and equal opportunity to the people who belonged to the so called lower castes or were believed to be untouchables.

- The people who belonged to the Shudras or Chandala castes were not allowed to gain knowledge or go to school. So, he wanted to ~~achieve~~ make it possible

For them to study and ~~the~~ gain a better future.

5. Many women involved themselves in their upliftment and provided their working hands at their best.

- They did protests, opened schools for girls' education, filed petitions, wrote articles etc.

- Pandita Ramabai, a scholar of Sanskrit challenged the orthodox Hindu society and wrote books ~~the~~ 'High Caste Hindu Women and their miserable life'.

- Anandibai Joshi was the first women doctor of India. By achieving this in her life she broke the stereotype that women weren't capable of living in the outside world and belonged to the kitchen.

- Savitribai Phule opened thirty-five schools of girls' education.

- ~~Beng~~ Begums of Bhopal also supported widow remarriage, education of women, etc.
